

FREQUENTLY ASKED

- **DO I NEED A HOME TELEPHONE LINE?**
No. We have systems that do not require a landline.
- **DO I HAVE TO SIGN A LONG-TERM CONTRACT**
No. Our agreement terms are month-to-month and you may cancel anytime.
- **IS THE PENDANT WATERPROOF?***
Yes. Pendants are waterproof and may be worn in accident-prone areas.
*Some models may vary.
- **IS IT EASY TO INSTALL THE MEDICAL ALERT SYSTEM?**
Yes. Our medical alert system is very easy to install and requires no special skills or tools.
- **DOES THE SYSTEM WORK ANYWHERE IN THE UNITED STATES?**
Yes. Acadian's medical alert systems can protect you anywhere in the United States.
- **ARE CALLS FOR HELP ANSWERED BY LIVE DISPATCHERS?**
Yes. Your call for help will always be answered by a trained and certified Emergency Medical Dispatcher (EMD). Unlike other medical alert companies, all of our emergency medical dispatchers are specially qualified to handle medical emergencies.
- **CAN ACADIAN PROTECT MY HOME AND BUSINESS TOO?**
Yes. Acadian offers a variety of security options to protect your home and business. Contact our customer service representatives at 1-800-259-1234.

“ “ I subscribed to your service a few months ago for my mother and it has already paid off. She recently fell and thanks to your quick response, we were notified promptly and she was able to get help in minutes... ” ”

—Ginni R.

In-Home Medical Alert

(no landline required)

Acadian's In-Home Medical Alert Systems are available in landline and wireless versions, making it the perfect choice for any home, even if you don't have landline phone service. Automatic Fall Detection available.

AUTOMATIC FALL DETECTING WATERPROOF BUTTON*

Falls are the #1 cause of injury for older adults.

The Automatic Fall Detecting Button is an optional waterproof help button that is designed to automatically summon help when you fall without having to press the button itself.*

**Some models may vary.*

Call us to add this option to your system today!
